**160614-Z-BP728-001:** Members of The King's Own Calgary Regiment from Canada provide security for Canadian engineers from the 5e régiment du génie de combat, Quebec, Canada, who conducts a bridge resurfacing project at Custer, S.D., June 14, 2016. The reconnaissance troop and the engineers are participating in the 32nd Golden Coyote training exercise, hosted by the South Dakota National Guard. (U.S. Army National Guard photo by Spc. Kristin

**160614-Z-BP728-017:** Members of the Canadian Forces' 5e régiment du génie de combat, Quebec, Canada, cut boards to be used for resurfacing the French Creek bridge at Custer, S.D., June 14, 2016. The project provides an opportunity for the Canadian engineers to utilize their skills during the Golden Coyote training exercise. (U.S. Army National Guard photo by Spc. Kristin Lichius/Released)

**160614-Z-BP728-025:** Members of the Canadian Forces' 5e régiment du génie de combat, Quebec, Canada, place boards on the French Creek bridge at Custer, S.D., June 14, 2016. The Canadian engineers utilized their skills to complete the project as part of the 32nd Golden Coyote training exercise, hosted by the South Dakota National Guard. (U.S. Army National Guard photo by Spc. Kristin Lichius/Released)

**160614-Z-BP728-018:** Canadian Forces' Sapper Christopher Cormier-Godin, a heavy equipment operator with the 5e régiment du génie de combat, Quebec, Canada, cuts boards to be used in a bridge re-surfacing project at French Creek at Custer, S.D., June 14, 2016. Once cut, the boards are placed to create a level surface for vehicles crossing the bridge during the Golden Coyote training exercise, hosted by the South Dakota National Guard. (U.S. Army National Guard photo by Spc. Kristin Lichius/Released)

**160614-Z-BP728-034:** Canadian Forces' Cpl. Michael Dumont, a heavy equipment operator with the 5e régiment du génie de combat, Quebec, Canada, hammers boards into place during a bridge resurfacing project at French Creek, at Custer, S.D., June 14, 2016. Once in position, the boards are secured to complete the project as part of the 32nd Golden Coyote training exercise, hosted by the South Dakota National Guard. (U.S. Army National Guard photo by Spc. Kristin Lichius/Released)

**160614-Z-BP728-036:** Canadian Forces' Master Cpl. David Blier, a heavy equipment operator, and Cpl. Jeremie Trottier a combat engineer, both with the 5e régiment du génie de combat, Quebec, Canada, replace boards on the surface of the French Creek bridge at Custer, S.D., June 14, 2016. The Canadian engineers placed the boards in a staggered pattern to support the surface of the bridge as vehicles crossed the bridge during the 32nd Golden Coyote training exercise, hosted by the South Dakota National Guard. (U.S. Army National Guard photo by Spc. Kristin Lichius/Released)
